

CORE RULEBOOK - Traveller

Chapter 3: Starships

Every starship requires a jump drive to travel faster than light.

The jump drive consumes fuel proportional to jump distance and hull tonnage.

CORE RULEBOOK - Traveller

Chapter 4: Trade and Commerce

Merchants travel between systems carrying freight and passengers.
Speculative trade goods fluctuate in price by world.

CORE RULEBOOK - Traveller

Chapter 5: Combat

Personal combat uses a simple task resolution system.
Ranged weapons apply range bands to determine difficulty.
